The Old Grey Hound is a place created to gather and enjoy everything Cuba. Our people, businesses, lake, and small community boast a relaxed, friendly lifestyle. We represent the very best food and hand-crafted drinks for the area in our restored 1856 brick building originally on the former Genesee Valley Canal.

We are doing our best throughout this unprecedented time to assure guest and employee safety. We have added a large tent from Clines (Belmont) to provide protection from the sun or rain. Our current Covid plan allows 25% seating inside during inclement weather and we will begin indoor seating by reservation only when fall weather arrives.

Until then, please enjoy our beautiful outdoor seating or take out. We will have live, local music each Saturday and are now open until ten Friday and Saturday for socially distanced socialization at it's very best. Please continue to wear a mask in our beer garden until seated.  
~ Thank you for your visit! Marlene and John Doyle, along with talented staff. ~
